

The Brazilian Asian Soybean Rust Situation

or...

Why Did I Really Go to Brazil?

Clayton A. Hollier

Department of Plant Pathology
and Crop Physiology

the journey...the reason

- By invitation from Cheminova Corp.
- 4Feb06 through 14Feb06
- Rate soybean rust plots (without interference)
- Allowed us to evaluate rust rating techniques
- Fungicides, rate, timing, water volume
- 3 sites with 5 tests each
