

**Seventh International IPM Symposium Program Committee Conference Call**  
**February 16, 2012 (3:00 pm)**

Participants: Elaine Wolff, Norm Leppla, Lynnae Jess, Dawn Gouge, Megha Parajulee, Margaret Appleby, Tom Green

Tuesday Welcome and Plenary Session (opening session): Steve Bradbury (EPA) has agreed to deliver a 25 minute presentation in place of Larry Elworth who withdrew. Herb Bolton was unable to participate. Norm will provide a welcome, including reference to IPM Voice information, and introduce Jill Schroeder who will deliver a welcome and recognize the Symposium co-chairs (Margaret Appleby, Jill Schroeder, Tom Green and Rubella Goswami). Next, Norm will introduce Steve Bradbury. Tom will invite Jill and arrange a coordinating conference call with Jill, Steve and Norm. Norm and Tom will draft a list of topics to be covered in the opening session. Elaine advised to keep the opening session from becoming too full. We will have a PowerPoint slide listing all of the volunteers for the Symposium. Rubella may not be able to attend the Symposium.

Introduction of Plenary Speakers

Dawn and Megha agreed to provide back-up in the event that anyone scheduled to introduce a plenary speaker is not available.

Session Update

All abstracts have been received for the sessions. Chris Geiger withdrew his session.

IPM Voice

Tom and Carrie Koplinka-Loehr will coordinate presentation of IPM Voice information on Thursday.

Symposium Evaluation

Elaine will provide the evaluation questions used last time; Tom will review the questions. Elaine will check with Sherry Glick to determine if a mobile app can be used for the evaluation.

USDA, NIFA Listening Session

The listening session on the USDA, NIFA programs and budget should be publicized.
