

Calling Early Career Scientists

“Scientists in IPM: current research, techniques, and challenges across borders and disciplines”

Feb 28-March 3, 2022
Denver, Colorado

A session will be dedicated to early career research experiences.

Speakers are invited to share their own personal stories from all fields of IPM.

If you are interested in presenting or co-organizing this session, please contact Katelyn Kesheimer by EOB 07/20. Please provide a title and 3-sentence abstract to kesheimer@auburn.edu.

Please also complete the survey:

uarizona.co1.qualtrics.com/jfe/form/SV_2hNHEWI8nyMo5G6
if you are requesting funding.
